# Spring clean Whakatū Nelson

11-19 Oct 2025

If you own or run a business, you know how important it is to make a great impression. A vibrant and welcoming city draws people in for shopping, services, to visit its galleries, cafés, bars and restaurants. When our city looks its best, everyone benefits. Have a think about what you could do to freshen up your part of the city. Let us know what you're up to so we can share your progress on the Make/Shift Spaces website.

- Sweep away the dust and grime
- Wash those windowsills
- Refresh any planters and gardens
- Consider adding some art to your building – we can help with that!
- Call in Graffiti Blasters for those tags
- Make a donation to facilitate a Spring Clean project

Need inspiration? On [makeshiftspaces.nz](https://makeshiftspaces.nz) you can see some of the 2024 projects.

If you want to help as an individual, we'd love to have you on board. Head to the website to register your interest in some gardening and cleaning projects.

If you have other ways of helping, maybe through donating plants, gardening gear or cleaning products, get in touch! [springclean@makeshiftspaces.nz](mailto:springclean@makeshiftspaces.nz)

On Saturday 18th October, we'll be celebrating with a Pop-Up Multicultural Market at the top of Trafalgar Street. Food stalls, music and entertainment, arts and crafts – it's a fun event for all the family. 3.30-8.00pm.

An initiative of the What If Whakatū Nelson Community-led Taskforce, facilitated by Make/Shift Spaces and supported by Nelson City Council, Nelson Chamber of Commerce, Uniquely Nelson, NEL, RCP & Thompson Property Group.
